Lead On-Ice Instructors

John Dunphy (Blades of Steel) and **Matt Keillor** (Storm AJHL)

Drafted by Kitchener Rangers of the OHL, John played 4 years between Kitchener Rangers and Barrie Colts. At age 18 he attended Boston Bruins rookie camp, main camp and played 2 exhibition games. After junior hockey John went on to play CIS hockey for the University of Guelph Gryphons. John continues to give back to the game through his great programs at Blades of Steel and has had a hand in the development of numerous players as they transitioned from minor hockey to JrA, Major Jr, and Pro.

Coach Keillor comes from an extensive skill development background. Keillor has worked with the U17 program for Team Canada and was a camp coach for Team Canada West at the World JrA Challenge selection camp in Calgary. Matt brings plenty of experience with practice to game transfer using video and on-ice sequencing techniques. Keillor currently is the Head Coach of the Grande Prairie Storm of the AJHL and is a graduate of the GPAC system. Keillor hopes this camp will also serve as a conduit between elite players in the peace region and the Storm!
